## **3-6 Cricket Program**

Dear Parents/Caregivers,

Students from 3-6 will take part in a cricket program beginning Thursday 15<sup>th</sup> February. The program will run each Thursday from weeks 3-6 and operate on the school grounds by qualified coaches at no cost to students. The program is part of our commitment to the Sporting Schools initiative. As the program will cover mandatory content and outcomes from the PDHPE syllabus, it is compulsory for students to attend the sessions unless they are prevented from participating due to illness or injury. In this case, a written explanation is required from a parent or caregiver.

Students will attend a 40-minute session each Thursday from weeks 3-6.

Kind Regards,

Jess Littlewood
