## KNIGHTS KNOCKOUT

Mr Barber has been hard at work training the boys for the upcoming Knights Knockout. The boys are really excited and we wish them well on the day!

## PSSA SOCCER

There were 2 wonderful games of Soccer played in wet conditions last Friday. Unfortunately both teams were defeated but their sportsmanship and effort is to be commended.

Special mention must go to Cooper for his courage despite suffering a very painful injury and Atlantis for her excellent defence!

## 4B LEARNING ALL ABOUT

Paul, Caitlin and Rhianwen learn to measure metres as part of their maths lessons. Using hands on activities is a great way to learn maths and the kids love it!

## WOOLWORTHS EARN AND LEARN

A Big Thankyou to everyone who has been collecting their stickers and bringing them in to school. Woolworths Glendale are in the process of supplying a box at Glendale Woolworths, so please keep bringing your completed sticker cards to school.

## PSSA Netball

The netballers have been playing extremely well the last couple of weeks. The senior teams have won the last two games and the junior team had a win

## *New Notebooks in 5/6*

Here are some of the Year 5 students using the new Notebook Laptops in our wireless classroom during Maths Groups! Great work kids!

## *Lunch Time Games*

Some of the Year 6 students have been taking groups of students at first half lunch and playing games that promote positive play. Here they are enjoying some games with the colourful parachutes!

This is a fantastic opportunity for our older students to develop their leadership and organisational skills whilst allowing the younger students an opportunity to play a structured game in a safe environment. Well done to all the year 5 and 6 students for giving up your time to make our school a better place!!
