SPORTS UNIFORM

The final designs for the new sports uniform are now on display. To have your vote on which design you would prefer for 2013 go to facebook and leave some feedback.

There is now a new survey available so we can finalise the choices. Please complete so we can make an informal decision.

Circles will be different house colours

2D News

It has been a very busy Term so far in 2D. We have been learning about the seasons and weather in Science this term. Each week, we have been learning about different types of weather and how and why the weather changes. This week we learnt that wind is caused by the sun heating up the air, the hot air rises and pushes the cold air down creating wind. In library, the students conducted a science experiment where they made their own clouds using a bottle, heat and air pressure.

Last week it was Education Week and on Tuesday the class came dressed up as their favourite book character. Mrs Hamilton was Little Miss Sunshine and Miss Kelly was Hermione Granger. There were a lot of creative costumes of book characters like Iron Man, Mortisha Adams, Catwoman, Rapunzel, Batman and Jessie from Toy Story 2. At our open classroom, the class made Mr ROY.G.BIVs with their parents help and then we joined in at the book parade. What a great day!

2D have also been working hard, singing and dancing for the school production of The Jungle Book in Week 7. We have been practising a lot and are getting better every day.

3/4L News

We have had a great start to the term in 3/4L and so far things have been very busy! This term in human society and its environment we are learning about our local area and the people that lived here before us. As part of this, we have learnt about what life was like for the Aboriginal people that were local to the area. This tied in perfectly with Naidoc Day, which we celebrated in week one. We enjoyed using our imaginations to come up with our own Dreamtime narratives.

In maths groups we have been learning about time and converting between digital and analogue time. We have also learnt how to read timetables.

This week we took part in our Sports Gala day which was lots of fun and now we are busy preparing for the school production in week six of this term. We can't wait to perform our class dance.

Fathers Day BBQ

On Friday 30th August there will be a Father's Day (or any other significant person, male or female) BBQ. The BBQ will run from 7.30am till 8.30am in the bottom quadrangle. The staff will be cooking bacon and egg rolls. Coffee and tea will be on the house!

This is a lovely chance to come into the school have an informal chat to some of the staff and have a bite to eat. We will be taking pre orders for the rolls and money will be taken when you collect on the morning.

Please return your pre order form to the school office by Wednesday 28th August.

PSSA SOCCER

The juniors played out a thrilling 2 all draw last week against Cardiff North Public School whilst the Seniors went down 5-3. The teams have really developed their skills and teamwork over the past weeks. This week we take on West Wallsend at their ground in the last regular match before the finals.

EVALUATIONS

For the remainder of term 3 the school will be reviewing its practices in the teaching of mathematics. If you would like to be involved as a community member and help us design our targets and goals for 2014 please contact the school and speak with Mr Pryce.
