Phone: 4954 9551
Fax: 4956 6248

INNOVATION, INSPIRATION, LEARNING ALLIANCE

Our school has joined with other local schools and Glendale Technology High School to form the Innovation, Inspiration and Learning Alliance. This means that we have agreed to work together on projects and within our communities to ensure that your children receive the best educational pathways from pre-school through to year 12 and beyond. You will begin to see the IILA emblem displayed on our websites and communication. This is a very exciting time as we all work together for our local kids and schools.

Glendale East Public School values Respect, Honesty, Care, Love, Tolerance and Responsibility.

Lost Property

Lost Property is now in the area outside the canteen. If your child has lost any items of clothing please look for them there.

Clarence Street Parking

The Clarence street entrance is for staff parking only. There are a number of cars that continue to drive in this entrance at extremely busy times when there are large numbers of children about. **Please do not drive into this area at any time.** It is only a matter of time before someone is seriously injured.

Athletics Carnival

Our Athletics Carnival will be held weather permitting next Thursday 18th June. The carnival will consist of traditional track and field events and tabloids. All children will take part in all events and we have been lucky enough to gain the help of some senior students from Glendale Technology High School to assist us in the running of the carnival. As this day will be very tight time wise the traditional structures for some of the field events will differ. For example students may not get 3 attempts at a high jump before being disqualified and zone competitors may only be selected on times rather than a final. Please come along and cheer on your kids on the day.

Quality Teacher Rounds

Last week 4 of our teachers took part in the final part of the Quality Teaching Rounds observations by the University of Newcastle. This has been an ongoing study by the University into some of the methods that we use at Glendale East to teach your children.

Neighbours

Please be respectful of our neighbours and do not park across or in driveways whilst waiting to pick up your children. The school has received a number of complaints of late.

Reports

Reminder that reports will go home on the last day of the term.

Hollywood at Glendale East?...

3/4M and 4/5BM are currently in the middle of making movies, please keep a look out for them on the school website in the next coming weeks.

Red Day and Pyjama Day

Red Day will be on Wednesday 24th June. This is also PJ day. The canteen will have all sorts of sweets, drinks and ice blocks available.

2nd Year Prac Students

We welcome 6, 2nd Year Prac students to Glendale East Public School. They will be with us for the next 3 weeks.

Naomi Fraser—2/3L

Debbie Lynch—2/3L

Briana Herington—1/2C

Georgie Pritchard—1/2C

Nicole Maher—K/M

Brieanna Borg—K/M

News from 5/6BM....

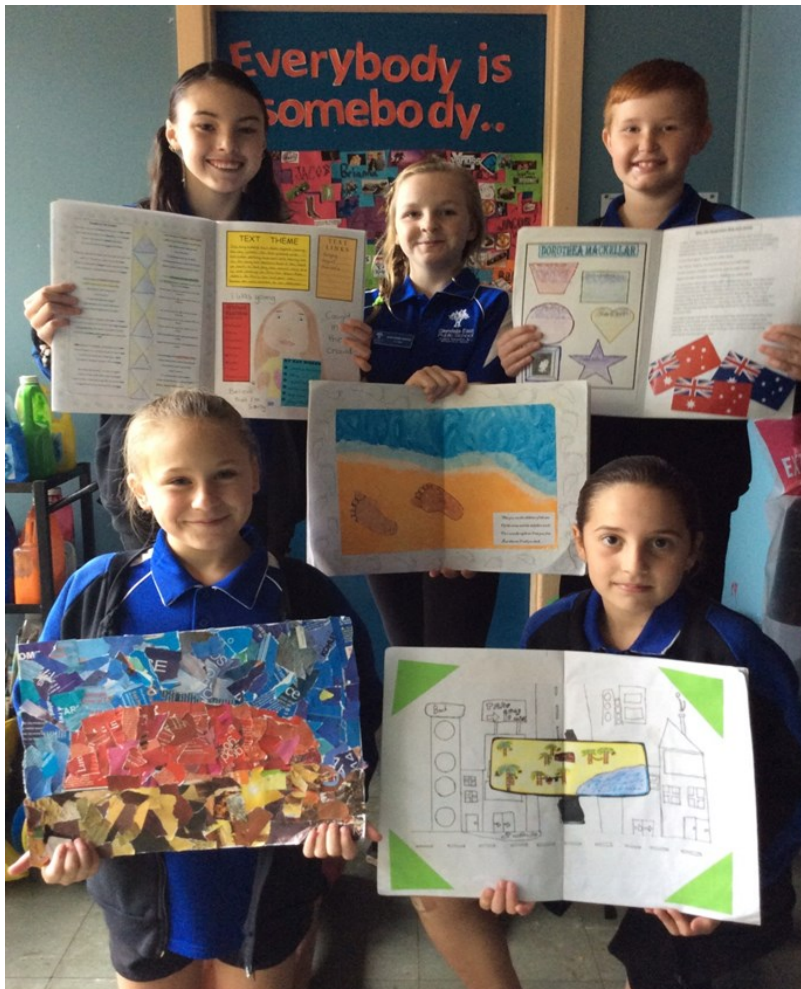

Students in 5/6BM have been focussing on a unit of work called 'Reading between the Lines'. We have been investigating different texts such as poems, songs, narratives and visual texts and have found the text themes, key words, text features and have looked at how these texts link to different issues around the world.

A favourite text that the class have focussed on was a song called 'Caught in the Crowd' by Kate Miller-Heidke. The song's theme is based on bullying and how to be an individual and a good friend.

Within our scrap books we have analysed each text, completed author studies, artwork related to the text and have researched text links that relate to each text. We are very proud of our work so far!

Year 6 Taster Lessons

For the last three Thursdays, year six has been involved in taster lessons organised by teachers from Glendale High. In the first week students participated in Aboriginal games which they all said was interesting and fun. The last two weeks the students have made yummy chocolate balls with Mr Wilson, created some fantastic art work and had a lesson based on Aboriginal games. Students have two more weeks of experiencing lessons they may participate in once they go to high school.

P&C News

SAVE THE DATE

The P&C will be holding a Trivia Night on **10th October**. Teams will be tables of 8 at \$10 per head. There will be games, prizes and we will also be having a raffle. There will be more information regarding the evening next term, look out for notices in the newsletter.

Red Day will be on Wednesday 24th June. This is also PJ day. The canteen will have all sorts of sweets, drinks and ice blocks available.

Our next meeting will be on Wednesday 24th June, 6.30pm Parents Room.

Linen Roster

Week 8: Melissa Ott

Week 9: Rebecca Barrett

Zone Rugby

Congratulations to Jacob H and James S on making the Zone Rugby Union side. These boys have made a number of zone sides this year and are doing an amazing job of representing our school. Well done boys.

Public Speaking

Just a reminder students will deliver their speeches in class this term Week 10 (22-26 June).

Students chosen for stage finals will be notified at the end of Week 10.

Netball News

Senior Netball

Last Friday the senior netball girls played Cardiff North. The defenders and attackers all played amazingly well, although we were pulled up for contact a bit which we will have to work on in training. Sam Clifton played for both the juniors and seniors, even after injuring her ankle at the end of the junior's game!! The end result was 14-4. Thank you Mrs Mantle for filling in for Mrs Bartlett, we loved having you back!

From Jessica

Junior Netball

What an amazing improvement for the junior girls netball team on Friday!! It was an extremely close game at 3-2 to Cardiff North. We had some amazing defenders in Mackenzie Dunbar Roberts. All the girls played as a team and listened to each other on the court. Great job everyone!

From Mackenzie and Brianna

PSSA News

Our PSSA sports teams played away at Cardiff for round 3 and they were also away for round 4 against Cardiff North Public School.

Soccer

Round 3 – Cardiff v's Glendale

The junior soccer side came undone against Cardiff Public school going down 2-1. The fullbacks were being worked hard in the first half chasing some fast opposition. Cooper turned the ball well out to the side line using Harry and Jaxson to push forward. Lachlan, Liam, Josh and Poppy all played well in the backs. Riley played a great game in the mids feeding some good balls through to Jacob and Clay. Ashton and Acacia worked well together up the front combining some lovely passes. Well done juniors.

The seniors came out on top 4 goals to 1. Joel B debuting in goals had a great game. Our backline had a pretty relaxed game keeping the Cardiff forwards at bay. A few cartwheels here and there kept them entertained. Xander, Jacob W, Jacob H, Shannon, Harrison and James really pushed hard in the midfield and up front. They had countless number of shots just missing or hitting the goal posts. Kayla played excellently out on the wing feeding some superb balls into the middle. Great game seniors, everyone played really well.

Round 4- Cardiff North v's Glendale

The junior soccer side unfortunately lost 4-2 last week. They started off really well going in hard in the midfield and trying to work the wings. Clay and Jacob played well in the middle of the park to create some opportunities and to also shut down the opposition. We got in an early goal thinking we had control of the game and the play. Instead of stretching our play and trying to have some long range shots we didn't use the space to our advantage. Our backline had to work really hard to defend the goals. Curtis and Lachlan both played an exceptional game using their skills to clear those loose balls and make some awesome goal saving tackles. Well done juniors, everyone played well.

The seniors had a fantastic game this week winning 3-2. Alex R, Billy, James and Alex H played a great game in defence. They struggled hard at times but came through with some countless tackles and good hassling off the ball. Midfielders used the small field to their advantage, Lucas played an excellent game defending and attacking, and he had 2 awesome long range strikes coming away with goals for both. Kayla and Joel B ran the ball well down the right wing and feeding some great balls through to the forwards. Bianca had a phenomenal game, she controlled the left wing with ease, tackling hard and winning the majority of the balls. She used the line well to distribute the ball to the front runners. She never stopped the whole game always putting in 100%. Cracking effort by all players. Well done.
